Eight members present held at 7PM at the Legion. Secretary read minutes and gave Treasurers report both were approved.

Old Business: Honey Do Man said he was going to do the job and purchased the materials, when Richard talked to him. He purchased the materials, but hasn't finished the job. Richard said that he would pay him once the job was done. Waiting to get in touch with him to verify the status.

Old Business: Richard hasn't talked to Mike to verify if he is going to do the job with the furnace. He would know more on Friday.

Old Business: Linda Walter - Royal 712-299-3644. Has the Peterson Uniforms to Heritage. The Heritage Uniforms are football and campfire girl uniform.

Old Business: -Halloween Party

Check from Judy for Peterson Heritage Book for \$15 from August. \$128 from the Halloween Party. 2 Checks that aren't in there are from Andy Bentz and Dave Gunnerson. Each were going to give \$20.

\$58 deposited - \$20 Elevator, \$38 from Richard

Buns - \$23.88

Prizes - \$136.20

Meat - \$21.90 For Grand Total \$160.98 Expenditures

Halloween Party Business: Committee decided not to do anything if there weren't any donations. Got moved back a week from previous date. Sent a flyer to Secretaries at Sioux Rapids and Everly Schools...didn't send the information to the other kids. Contact the teachers next time instead of the teachers. Not enough kids or people to help run the party; otherwise it turned out good.

Old Business: - Send the letters out for mowing bids in February, too soon to send them out now.

New Business: Grant - Last year we used our own tax id number, and since the certificate wasn't in Sioux City we were not a non-profit. Ken Ancherstar was on the committee. Ken Ancherstar stated that we needed to use the cities tax id number. Need to talk to Scott Brown to see about using the tax Id for City for the Grant. Grant money will buy the materials, but labor has to come from Peterson Heritage. Need to keep track of the number of kids that come thru the buildings and what we do for the public. Finish date is January 15th.

New Business: Officers...Meetings being held mean that one officer has to be here. Presidents position is open, Vice President replaced, Secretary and Treasurer and one Trustee. Berdie motioned and Carmen seconded to separate the Secretary and Treasurer all ayes carried.

Discussed Membership Dues... \$5 for Dues...Richard paid for Brandys and Joes. December 14th will be the next meeting. Brandy, Joe, Berdie, Carmen and Burdette, and Judy Weber paid dues. \$30 for Dues.

New Business: Need to look at memberships to see who wants to renew their memberships. Richard will contact Jim Larson with the name of the person in Everly that has the \$300 donation for Heritage.

Motion for meeting to adjourn. Meeting closed.
